Tim Van Damm is the founder and president of Van Damm & Associates. Tim started his career as a Recruiter for one of the country's top Administrative Placement Firms. He quickly became a top performer placing administrative personnel in the Greater Boston Area.

In September of 2002, Tim was one of the founding members of Monument Staffing. Tim successfully placed Administrative Personnel for two years before starting the Accounting and Finance Group for Monument Staffing. In February of '06 Tim bought out Monument Staffing Financial Group and founded Van Damm & Associates.
